[QUOTE=thumper038]Hi [REDACTED]

Do you belive Cody sent me the 3 blades of his he dont need instead of my property the 4 blade 17x33 merc 4 blades???

Jim[/QUOTE]

He mentioned earlier that he thought the 4 blades should have come with the boat in the first place. I guess he's justifying it that way. What a bummer!

Now that his boat is running and his business is so slow, I don't realy hear from him anymore.
