

SPECIFICATIONS

Overall Length:	60 ft.	Dry Weight:	40,000 lb.	Fuel Capacity:	700 gal.
Hull Length:	54 ft.	Draft:	3 ft.	Water Capacity:	150 gal.
Beam:	14 ft. 10 in.	Deadrise:	24 deg.	Holding Tank:	70 Gal.

CONSTRUCTION

E-Glass materials over foam cores with carbon fiber reinforcements
Fully vacuum bagged epoxy lamination post cured to laminate specifications
Airex / Core Cell running surface core
Airex foam core bulkheads
Hull / deck joint bonded inside and out
Hull and deck faired primed and painted in Snow White AwlCraft 2000 paint
Engine room painted in Snow White AwlGuard Interior Urethane paint

COCKPIT

Sliding carbon fiber sun roof
120V GFI Outlet
Clarion / JL Audio 3 Amplifier 10 Speaker stereo system
Stainless steel drink holders
Tempered glass canopy windows
Integral fiberglass seat bases w/ storage below
In floor storage
AC/DC Cockpit refrigerator with ice maker
Single burner cook top
12V Accessory outlet
Overhead and courtesy lighting (24V)
Aft cockpit shower with hot and cold water
Removable cockpit dining table
Large hydraulically actuated engine hatch

DECK HARDWARE

Stainless steel bow rail
Stainless steel anchor
Anchor chain - (100) ft.
Anchor windlass - cockpit control and deck switches
Anchor wash down
Stainless steel pull up cleats (8)
Stainless steel fuel, water and waste deck fittings
Bomar deck hatch
Stainless steel rub rail
Navigation and anchor lights
Integral engine room air intake and vent system
Hidden air horn - 24V - w/ air tank and compressor

CABIN

Salon:
Ultraleather Sofa with storage below
Infloor storage
Bose 3-2-1 Stereo System w/ DVD Player
32" LCD HD TV

Galley:
Granite countertops with undercounter drawers
AC/DC Refrigerator / Freezer
Stainless steel microwave & 240V three burner cook top
Upper and lower storage cabinets
Stainless steel galley sink
Below counter garbage can with through countertop chute

Master Stateroom:
Queen size bed with innerspring mattress and storage below
Full length hanging locker
Dresser with drawers and storage cabinets
Bose Lifestyle 18 Stereo System
26" LCD HD TV

Master Head:
Vanity with granite countertop
Mirrored medicine cabinet
Raritan 24V toilet
Separate large shower

Stbd. Guest Stateroom:
Full size bed with innerspring mattress and storage below
Full length hanging locker
Bose 3-2-1 music system
26" LCD HD TV

Port Guest Stateroom:
Twin bunk beds
Bose 3-2-1 music system
20" LCD HD TV

Guest Head:
Wet head with integral shower
Vanity with granite countertop
Mirrored medicine cabinet
Raritan 24V toilet

SYSTEMS

Control:

- Digital engine instrumentation
- Electronic shift and throttle controls
- Power steering
- High gloss wood steering wheel with tilt helm
- Illuminated weather proof switch panels

Electrical:

- E-Plex electronic control system
- Four Optima 31 series start batteries
- ProMariner Pronautic 2430 engine room battery charger - 24V
- Four Optima 31 series house batteries
- Vanner 65-100, 100 amp battery equalizer
- ProMariner Pronautic 2430 house battery charger - 24V
- Battery Switches - (2) 24V House - (1) 12V House - (2) 24V Start
- DC breaker panels in waterproof enclosure - engine room - cockpit - cabin
- AC breaker panels in aluminum enclosure in cabin
- 240V 50 Amp Shore power connection w/ 50 ft.. shore power cord
- ProMariner ProSafe One 50 amp galvanic isolator
- Onan 17 kW 60 Hz Diesel Generator - remote start - sound shield - muffler

Climate Control:

- (2) Cruisair 24,000 BTU air conditioning systems - 240V - Condensers in ER

Engine Room:

- Rule 1100 GPH pump - centerline aft
- Rule 3700 GPH pumps - (2) aft - (1) forward
- Ventilation blowers - (2) 24 volt
- Fire suppression system - automatic engine shutdown, override and manual
- Engine room noise insulation - 2" with vinyl covering
- Engine room lights - (4) 24V
- Reverso oil change system - Main engines, transmissions, generator

Fuel System:

- 700 Gal. Integral fuel tank with aerospace grade tank coating
- Fuel shutoff valves at tank
- Electronic fuel level sending units
- USCG approved fuel lines
- Main Engine Racor 75500MAX fuel filters - 60/120 GPH - (2)
- Generator Racor 120RMAM fuel filter - 15 GPH - (1)

Water System:

- 150 gal. Kracor rotomolded plastic water tank
- Electronic water level sending unit
- Headhunter Mach-5 water pump - (1) 240V
- Headhunter X-Caliber water pump (1) 24V
- Headhunter Puffer Accumulator Tanks (2)
- Aft cockpit shower with hot and cold water
- Freshwater hose spigot in anchor locker
- Freshwater hose spigot in engine room
- Dockside fresh water inlet
- Water filters at each sink
- Isotemp by Indel 19.7 gal. hot water heater - 240V

Waste System:

- 70 Gal. Kracor rotomolded plastic waste tank
- Electronic waste level sending unit
- Dockside pumpout deck fitting
- Macerator pump with auto seacock - (1) 240V
- Cabin sump pump - showers, sinks, A/C condensation - (2) 24V
- Raritan Atlanes Freedom toilets with integral macerators

PROPULSION

- Caterpillar C18 twin turbo diesel engines - 1,000 hp @ 2,300 rpm
- Twin Disc MGX-5135A Quickshift Transmissions
- Carbon fiber integral engine girders with stainless steel engine beds
- Twin Disc / Arneson ASD-12 Surface drive system
- Custom Propulsion Systems 6 blade Nibral propellers
- Stainless steel dual inlet water pickups
- 3" Bronze raw water inlet sea cocks - (2) at transom & (2) at strainers
- Stainless steel sea strainers with removable baskets
- Bonding system with (2) zinc hull plates
- Carbon fiber trim tabs with stainless steel hydraulic trim cylinders

ELECTRONICS

Navigation:

- Garmin GPSMAP 5215 Chartplotter 15" color touch screen
- Garmin GSD 21 Analog depth sounder black box
- Airmar 1 kW dual frequency bronze thru-hull transducer w/ temp.
- Icom IC-M422 VHF Marine Transceiver w/ DSC

Cockpit Stereo:

- Clarion CMD5 watertight marine stereo
- Clarion CMRC1-BSS watertight stainless steel remote control (2)
- Clarion M101RYC-RET "Y" adapter for multiple remotes
- JL Audio M770-TCX Tower Coaxial Speakers (8)
- JL Audio M101B5-4 10 Inch Subwoofers (2)
- JL Audio M4300 Four channel speaker amplifier (2)
- JL Audio M1400 Monoblock subwoofer amplifier (1)

OPTIONS

Engine Options:

- MTU 8V2000 (1,225 hp) or MTU 10V2000 (1,550 hp)
- Cockpit air conditioning - (1) Cruisair 24,000 BTU
- Vetus BOW125 Bow Thruster - 24V - 10" tunnel
- Vetus BOW125 Stern Thruster - 24V - 10" tunnel
- Simrad 26 Autopilot
- Garmin GMR 24 4 kW 48 nm Radar
- Garmin GDL 30/30A XM Satellite weather data
- E-Plex 5.7" Color dash touch screen control
- E-Plex 10" Color cabin touch screen control
- KVH TracVision M5 Marine Satellite TV - 18" dome
- KVH TracPhone F33 Satellite phone & Internet - 18" dome
- Sea Vision SV10 Underwater lighting - 230 V AC - 150 Watt - (2) lights
- ACR RCL-100D remote control spotlight
- Clarion SIRCL3 Sirius satellite radio interface for cockpit stereo
- Clarion EA1276 iPod interface for cockpit stereo
- Awlgrip Awlstar hull bottom antifouling paint
- Poseidon Lift hydraulic swim platform
